WORKBOOK VOLUME 5: YOUR ROLE & LEADERSHIP PATH

ACT LIKE A LADY, BET BETTER THAN A MAN

THE OFFICIAL STRATEGY COMPANION

In the original book, we introduced different ways to participate in the betting ecosystem — not just as a bettor, but as a leader.

Betting is not only about placing wagers.
It is about how you show up.

Some women lead with capital.
Some lead with community.
Some lead with education.

This section helps you define your role — intentionally.
